

Campbell's Labels for Education Program

Welcome to Challenge to Excellence Charter School Campbell's Labels for Education Program.

For over 30 years, *Campbell's Labels for Education* program has awarded over \$100 million in FREE merchandise to schools nationwide. And this year, America's longest running education program of its kind just got better with a new list of 5-point products, including all *V8*® soups and *Campbell's*® *Select Harvest*™ soups. We are asking parents, teachers and friends in the community to collect Campbell product proofs of purchase that can be redeemed for free educational merchandise. Attached is a listing of all eligible products.

It's easy to pitch in. Please turn in your Labels for Education to your Homeroom Teacher through the year by simply saving the ENTIRE product proofs of purchase, from any of the following eligible Campbell products:
