

Challenge to Excellence Carpool Request Form

We are teaming with RideArrangers to assist families with carpool arrangements. RideArrangers has been helping metro area families form school-related carpools for 15 years. Their services are free.

If you are interested in carpooling full-time, part-time or perhaps in an emergency, please complete the form below. You will receive a list of names and phone numbers of families living close to you who are also interested in carpooling. It will be up to you to contact the families on your list to make your arrangements. Families receiving a list are not obligated to carpool and can use the list as a reference or in the event they have temporary transportation needs.

RideArrangers is a federally funded program of the Denver Regional Council of Governments and their only goal is to help reduce traffic congestion and pollution, so you can be assured your information will only be shared with Challenge to Excellence families and not with other businesses or agencies. Please note your home address will not be provided to families, only your home intersection.

If you are interested in participating, please complete the form below and return it to RideArrangers by mail (1290 Broadway, Suite 700, Denver, CO 80203), fax (303-480-6790) or online (www.drcog.org/index.cfm?page=schoolpool).

If you have any questions, please call RideArrangers at (303) 458-7665.
